

Limitless Travel & ExtraCare Trust

Making the world accessible to everyone

Limitless Travel was founded in 2015 by Angus Drummond with a mission to make the world accessible to everyone.

After being diagnosed with muscular dystrophy in his early twenties, Angus experienced first-hand the barriers that prevent many disabled people from enjoying the freedom and independence that travel brings. Determined to change that, he founded Limitless Travel to ensure that someone's health, disability or mobility should never be a barrier to exploring the world.

Today, Limitless Travel is the UK's leading provider of accessible escorted holidays, supporting thousands of disabled travellers each year on cruises, UK tours and overseas holidays. Through our award-winning model, we combine expertly planned accessible travel with professional support, giving guests the confidence to travel with complete peace of mind.

This partnership with The ExtraCare Charitable Trust reflects a shared belief that everyone deserves the opportunity to live life to the fullest. We are delighted to donate this holiday in support of ExtraCare's fundraising efforts and hope it helps raise valuable funds while inspiring more people to discover that accessible travel is possible.

Our Group Support Package

Limitless Travel specialises in making holidays accessible for people with disabilities and reduced mobility. Unlike a standard cruise holiday, every Limitless departure is accompanied by our own Tour Manager and professional support team, providing reassurance, practical assistance and expert knowledge throughout the entire journey.

As part of our Group Support Package, guests benefit from:

- An experienced Limitless Travel Tour Manager accompanying the group throughout the holiday
- A professional support team available throughout the trip
- Assistance coordinating mobility equipment before travel
- Help ensuring guests can safely access the ship, ports and included excursions
- Reassurance and practical support throughout the holiday should any unexpected issues arise
- Carefully planned accessible itineraries and excursions
- A welcoming group environment designed for disabled travellers, their partners, friends and families

This package is designed to provide reassurance and practical support throughout the holiday.

Please note: The prize does **not** include one-to-one personal care. Guests requiring dedicated personal care during the holiday would need to arrange this separately either independently or through Limitless Travel, subject to assessment and availability.

What's Not Included

The prize does not include:

- Travel to and from Southampton
- Travel insurance (required for all travellers)
- Optional shore excursions not included within the itinerary
- Alcoholic beverages and personal onboard spending
- Gratuities
- Personal care services
- Any additional upgrades requested by the winner

Booking Information

The winner will need to confirm their booking no later than **four weeks before departure**, subject to completion of the normal booking process.

We hope this prize not only raises valuable funds for ExtraCare, but also introduces more people to accessible travel and demonstrates that disability or reduced mobility should never be a barrier to exploring the world.

Accessibility

Every Limitless holiday has been specifically designed for disabled travellers and people with reduced mobility. Before a holiday is launched, our team personally assesses the ship, destinations, excursions and venues to ensure they meet our accessibility standards.

Guests travel with an experienced Tour Manager and a professional support team throughout the holiday, providing reassurance and practical assistance whenever needed. We also help coordinate mobility equipment before departure, assist with boarding, and carefully select accessible excursions wherever possible.

The holiday is suitable for many wheelchair users, ambulant disabled travellers and people living with long-term health conditions.

Features include:

- Accessible cabin accommodation
- Step-free accessible transport throughout the itinerary where applicable
- Accessible excursions
- Wheelchair-accessible venues wherever possible
- Experienced Tour Manager accompanying the group
- Specialist support team travelling throughout the holiday
- Assistance with mobility equipment planning before departure
- Support available throughout the holiday if required

The holiday is suitable for many wheelchair users, ambulant disabled travellers and people living with long-term health conditions.

Eligibility & Important Information

- Prize valid for travel on **17–24 October 2026** only.
- Prize is for **up to two people sharing one accessible cabin**.
- Winners must hold a valid passport meeting the entry requirements for Spain, France and any countries visited during the cruise. (For UK passport holders this generally means a passport valid for at least three months after the planned departure from the Schengen Area and issued within the last ten years.)
- Travel insurance is mandatory.
- Guests must complete Limitless Travel's standard booking process, including any required accessibility questionnaire.
- The holiday does not include one-to-one personal care.
- Unfortunately, guests requiring a profiling bed or ceiling/mobile hoist cannot be accommodated on this sailing due to equipment limitations.
- There is no minimum age restriction, although the holiday is designed primarily for adults.
- The prize is non-transferable, has no cash alternative and cannot be exchanged for another sailing.
