What are the main eligibility criteria for living in the Village?

Our priority is to support residents over the age of 55 who are living in Coventry. We will also consider applications from outside the City if you have a strong local connection; for example you are moving back to the City, need help from a family member or require practical or emotional support from a family member.

There is no upper age limit for applying to the Village. We also welcome applications from people needing a significant level of care.

The majority of rental properties at Earlsdon Park will only be available for individuals with an assessed care need.

To register your interest in the Village, phone 0300 303 2333 and we will make an appointment for the next available sales or rental presentation.

Earlsdon Park Village
An ExtraCare Village

Welcome to Earlsdon Park, a Village where life is for living, for over 55s

Earlsdon Park is not just about having a new place to live. It's about giving people over 55 the opportunity to begin an exciting new chapter in life.

When this brand new Village opens its doors in Summer 2016, it will provide you with a fulfilling lifestyle as an active and valued member of a vibrant local community, where you can rekindle old passions and discover new ones, meet fresh challenges and relish new achievements.

At ExtraCare, our philosophy is that later life is a time for doing more rather than less. A time for doing all the things in life that you've always wanted to do but never got around to or found time for.

Relax in your own spacious apartment. Apartments are available for purchase, shared ownership or rent, and are thoughtfully designed to make life as comfortable and safe as possible, even if you have limited mobility.

ExtraCare aims to ensure that the Village is affordable for every applicant whatever their financial circumstances.

Enjoy superb facilities and activities to help you make the most of each new day, and with so many new like-minded friends and neighbours you'll never be short of things to do.

Imagine being able to pop into the Village shop, the hairdressing and beauty salon, or meet friends in the bistro. You can tone up in the Fitness Suite, or visit the Library/IT Suite where you can read a book, surf the internet or send emails.

There's a Village Hall for dances and get-togethers, a greenhouse and hobby room.

Care, should you need it now or at any time in the future, can be tailored to meet your assessed needs, and will be delivered in the comfort of your own Village home by a committed and highly professional team.

So life really does begin at Earlsdon Park!

enjoy a new lease of life

The Village's own Well-being Centre is run by a qualified Well-being Advisor and is available to all residents, offering health screening, information and advice on managing a healthy lifestyle.

This holistic approach is part of the way of life at Earlsdon Park Village, and covers everything from keeping a healthy heart, managing diabetes and asthma, to weight reduction, diet, sleep and exercise, as well as safety in your own home.

It's good to know that, should anything happen to either you or your partner in the years ahead, you will not only be surrounded by friends and neighbours who care, but you will have the security provided by ExtraCare's professional team.
